Hi Wyn and Nicole,

Thanks for emailing and I know you guys are just buried. Yes, we're just pulling together the information at this point for a release. My understanding is that the settlement is coming tomorrow morning, and so we're just trying to have all the information on hand so we're ready (and accurate) when discussing. I'm adding Liz to the thread just so she's aware. Of course, I know that you have a congressional affairs team—how does notification work on your end?

I'll pass along a draft release as soon as it's ready.

Hi JP – I understand you may be working up a press strategy for Pebble settlement. Can you loop us into that? My colleague Nicole Navas handles the Civil Division, which is lead in this matter.

Thanks! Wyn
